

Emergency Hospital Cover Explained

WHY IS HOSPITAL COVER IMPORTANT?

So that members don't have to deal with the burden of high hospital costs in an emergency where hospital care is needed.

EMERGENCY HOSPITAL COVER BENEFITS

Emergency Casualty Benefit:

Outpatient hospital treatment such as stitches for injuries sustained as the result of an accident.

Cut on a hand

Broken arm or leg

Emergency Stabilisation Benefit:

Inpatient hospital treatment for life-threatening emergency conditions where stabilisation will be provided.

Heart attack

Asthma attack

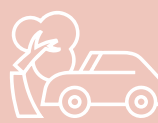

High fever in kids

Personal Accident Benefit:

Inpatient hospital treatment, including all associated services at a private facility for injuries sustained due to an accident.

Accident while at work

Motor vehicle accident

Accidental electrocution

IMPORTANT DEFINITIONS:

Inpatient

The patient needs to be admitted to the hospital for close monitoring during the procedure and recovery afterwards.

Outpatient

The procedure does not require hospital admission and all procedures will be performed in casualty.

Emergency

Sudden and, at the time, unexpected onset of a health condition that requires immediate medical or surgical treatment.

Accidental Injury

Bodily injury sustained by violent external physical means, e.g., a motor vehicle accident.

Hospital Authorisation

To ensure that the patient receives prompt hospital care, Netcare 911 or GetSavvi Health will arrange a Hospital Authorisation to the hospital that the member is being admitted to.

GOP

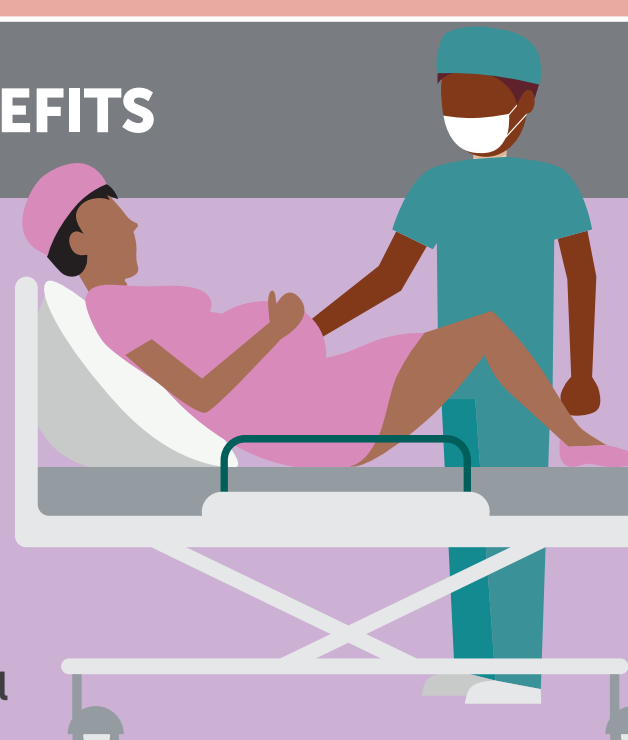

The member must call for guarantee of payment (GOP) before going to the hospital.
